Creating an article level link for ProQuest Nursing Journals

If you have any problems, please contact Rienne Johnson, Reference Librarian, rjohnson1@neomed.edu, 330-325-6602.

Use the library catalog to search for Health Affairs.
Choose the “Off-Site” link, and authenticate using your library ID and password.

You'll then be taken to the homepage for Health Affairs.
Scroll down this page until you see “Browse Specific Issues”. Click the box next to 2010-2013. This will allow you to select years and then issues.
Browse until you locate your desired article. Click on the article title.
