Citing/ Attributing Formats

The recommended citation formats are abbreviated formats developed by the library to provide sufficient information for the viewer to find the image without overwhelming the content on the slide.

To create the © symbol, hold down the ctrl and alt keys and press c or use the insert symbol function.

For assistance citing images, contact Rienne Johnson at rjohnson1@neomed.edu or x6602.

Licensed Resources:
 _AccessMedicine_ and _AccessPharmacy_ citations are included in the images, no additional citation is necessary.
