How to Search for Harvard Business Review Articles on the Library Website

1. Start at the library homepage: www.neomed.edu/library
2. Select the Journals link
3. Search for Harvard Business Review
4. Select Harvard Business Review from the list of results
5. Select Business Source Complete from the full text access menu
6. Enter your library credentials (last name, first name & ID number)
7. Use the “All Issues” navigation on the right side of the page to find the article that you need. Select the appropriate year, volume & issue.
8. Select the article from the list of results by clicking on the PDF.
9. In the PDF view you can print, download, email or format the citation for the article, using the menu on the right of the document.
